Principal of Concord College

Introduction to Concord College

Concord College is a highly academic independent international school in England for boarding and day students. We welcome students from all over the world and the local area into our vibrant and varied community, which shares a culture of excellence and joyful learning infused throughout with our core values of kindness, rigour and creativity. Girls and boys between the ages of 13 and 18 enjoy fabulous facilities on our safe and beautiful 80-acre campus set in the heart of the English countryside. Our students achieve the highest standards and have a superb track record in gaining entry to top universities in the UK and around the world. We take care to nurture the individuality of our students to develop their self-confidence, encouraging all here to understand the needs of others and to respect the values of our community.

Concord was founded in 1949 by Paul Oertel and Monica Carr-Taylor in Sussex as a response to the hatred and bitterness of war by using language teaching and personal warmth to break down barriers and misunderstandings between peoples. The College grew quickly, moving first to larger premises at Tunbridge Wells and then, in 1973, to its present site in Acton Burnell. In 1969, upon the retirement of the founder principals, the College was bought by Frank Bell who had founded the Bell School of Languages a number of years earlier. In 1977 Concord accepted girls for the first time. The College became a charitable trust in 1983 and has expanded rapidly since. Now with about 600 students (and an almost perfect 50:50 girl:boy ratio), Concord boasts enviable facilities and utterly outstanding outcomes for its students.
